

Bus Definitions

Fixed Route Service

We offer a deviated fixed route service with six (6) schedules serving Allegany County. In addition, we also offer a designated Wellsville Service Area providing exclusive service to our most popular destinations; including healthcare facilities, pharmacies, restaurants, work site and shopping locations.

Flag Stops

Flag Stops are undesignated bus stops that can occur on a fixed bus route between designated bus stops. To schedule a Flag Stop, please contact the ACCESS Allegany Call Center Monday - Friday from 8:00a.m. - 4:30p.m. Please be ready to provide your desired pick-up location and time you wish to travel. The ACCESS Allegany operator will instruct you on what time you should be at your pick-up location and will notify the bus driver.

Route Deviation

In Accordance with Americans with Disabilities Act regulations, we offer individuals living with a disability better access to transportation services through route deviation. Buses will travel up to 3/4 of a mile from a fixed route to pick up or drop off passengers. To request this service, contact the ACCESS Allegany Call Center at least two business days in advance. Route deviations cost \$3.00 per boarding.
