VISITATION POLICY FOR TRAPPING BROOK HOUSE

We acknowledge that the family system has been affected by addiction and that the family system is important in recovery. We are also aware of the necessity to learn balance and be able to focus on self in recovery. The following is adopted as our Visitation and Family Policy.

A person or family member transporting the admitted resident may have a brief tour of the facility but is not to stay for a visit. As this time, they may be given the Visitation Policy and have any questions answered.

FIRST TEN (10) DAYS No visitation at our facility and no passes to meet visitors/family. No Phone use for 10 days.

FIRST THIRTY (30) DAYS No weekend pass, no home pass; no passes to meet visitors/family. Visitation may occur on Sundays from 12pm to 6pm, Saturdays from 10am to 5pm. House staff must be notified of expected guest (if possible) by the Friday before the visit.

Any alterations in scheduling must be authorized by your case manager.

AFTER THIRTY (30) DAYS

One pass for 2-3 hours to visit family during the week. This pass has to be approved by your case manager in advance.

TRAPPING BROOK HOUSE VISITATION POLICY

Former residents who were unsuccessfully discharged or any that have relapsed cannot visit the facility for six months from incident and only after meeting with the Residential Director. Visitors must be alcohol & drug free and pose no disruption or are not detrimental to themselves or others.

It is the authorization of staff to determine appropriateness of visit. Staff may ask visitors to leave the premises if the visit is not conducive to recovery.

All visitors are to sign in at the Staff Office before their visit. This includes people in vehicles if not just picking someone up or dropping them off. Sponsors are also considered visitors for this policy. We will not condone any physical contact. Visitors must be dressed conservatively remembering our facility is host to 16 other males. IE: (No halter tops or short shorts or short skirts or dresses). If visitor is wearing disruptive or questionable attire, they may be asked to leave.

Visitors are to use the restrooms that are located downstairs.

Visitors are to enter and exit from the door closest to the staff office.

Parents should appropriately supervise children while on the premises.

Visitors are to visit with the person they are here to see.

Visitors are discouraged from bringing their friends with them to a visit.
